Laurenz V Silver Bullet Grüner Veltliner 2008

Kamptal, Austria

Dry White (Screwcap), 12.5% abv

First up, this comes in a food-friendly 500ml bottle which we applaud. The aromas are layered with subtle pepper and grapefruit and the palate is impressive - very long lasting with the sheen of bright minerals, peachy fruit and a delicate aromatic hint. Good Grüner and for the quality on offer, good value too. Find on wine-searcher.com
